Introduction/Goals/Hypothesis

Add your information, graphs and images to this section

No Abstract should appear on the board/poster. Students may use a visual to show the results but the word 'Abstract' cannot appear on the poster.

Every diagram, graph, data table, photograph should be cited separately with a complete URL or APA format in text citation. No blanket statements such as 'All photographs, diagrams, and graphs were taken by student observer'.

Problem Statement

Add your information, graphs and images to this section.

Methodology

Add your information, graphs and images to this section.

Results and Analysis

Add your information, graphs and images to this section.

Discussion and Conclusion

Add your information, graphs and images to this section.

Future Research/Implications
